

### *The Mission*

To aid in the cultural, economic and technological revitalization of the Panway community through community involvement in arts, education, health and technology, specifically catered toward minority communities.

### *The Vision*

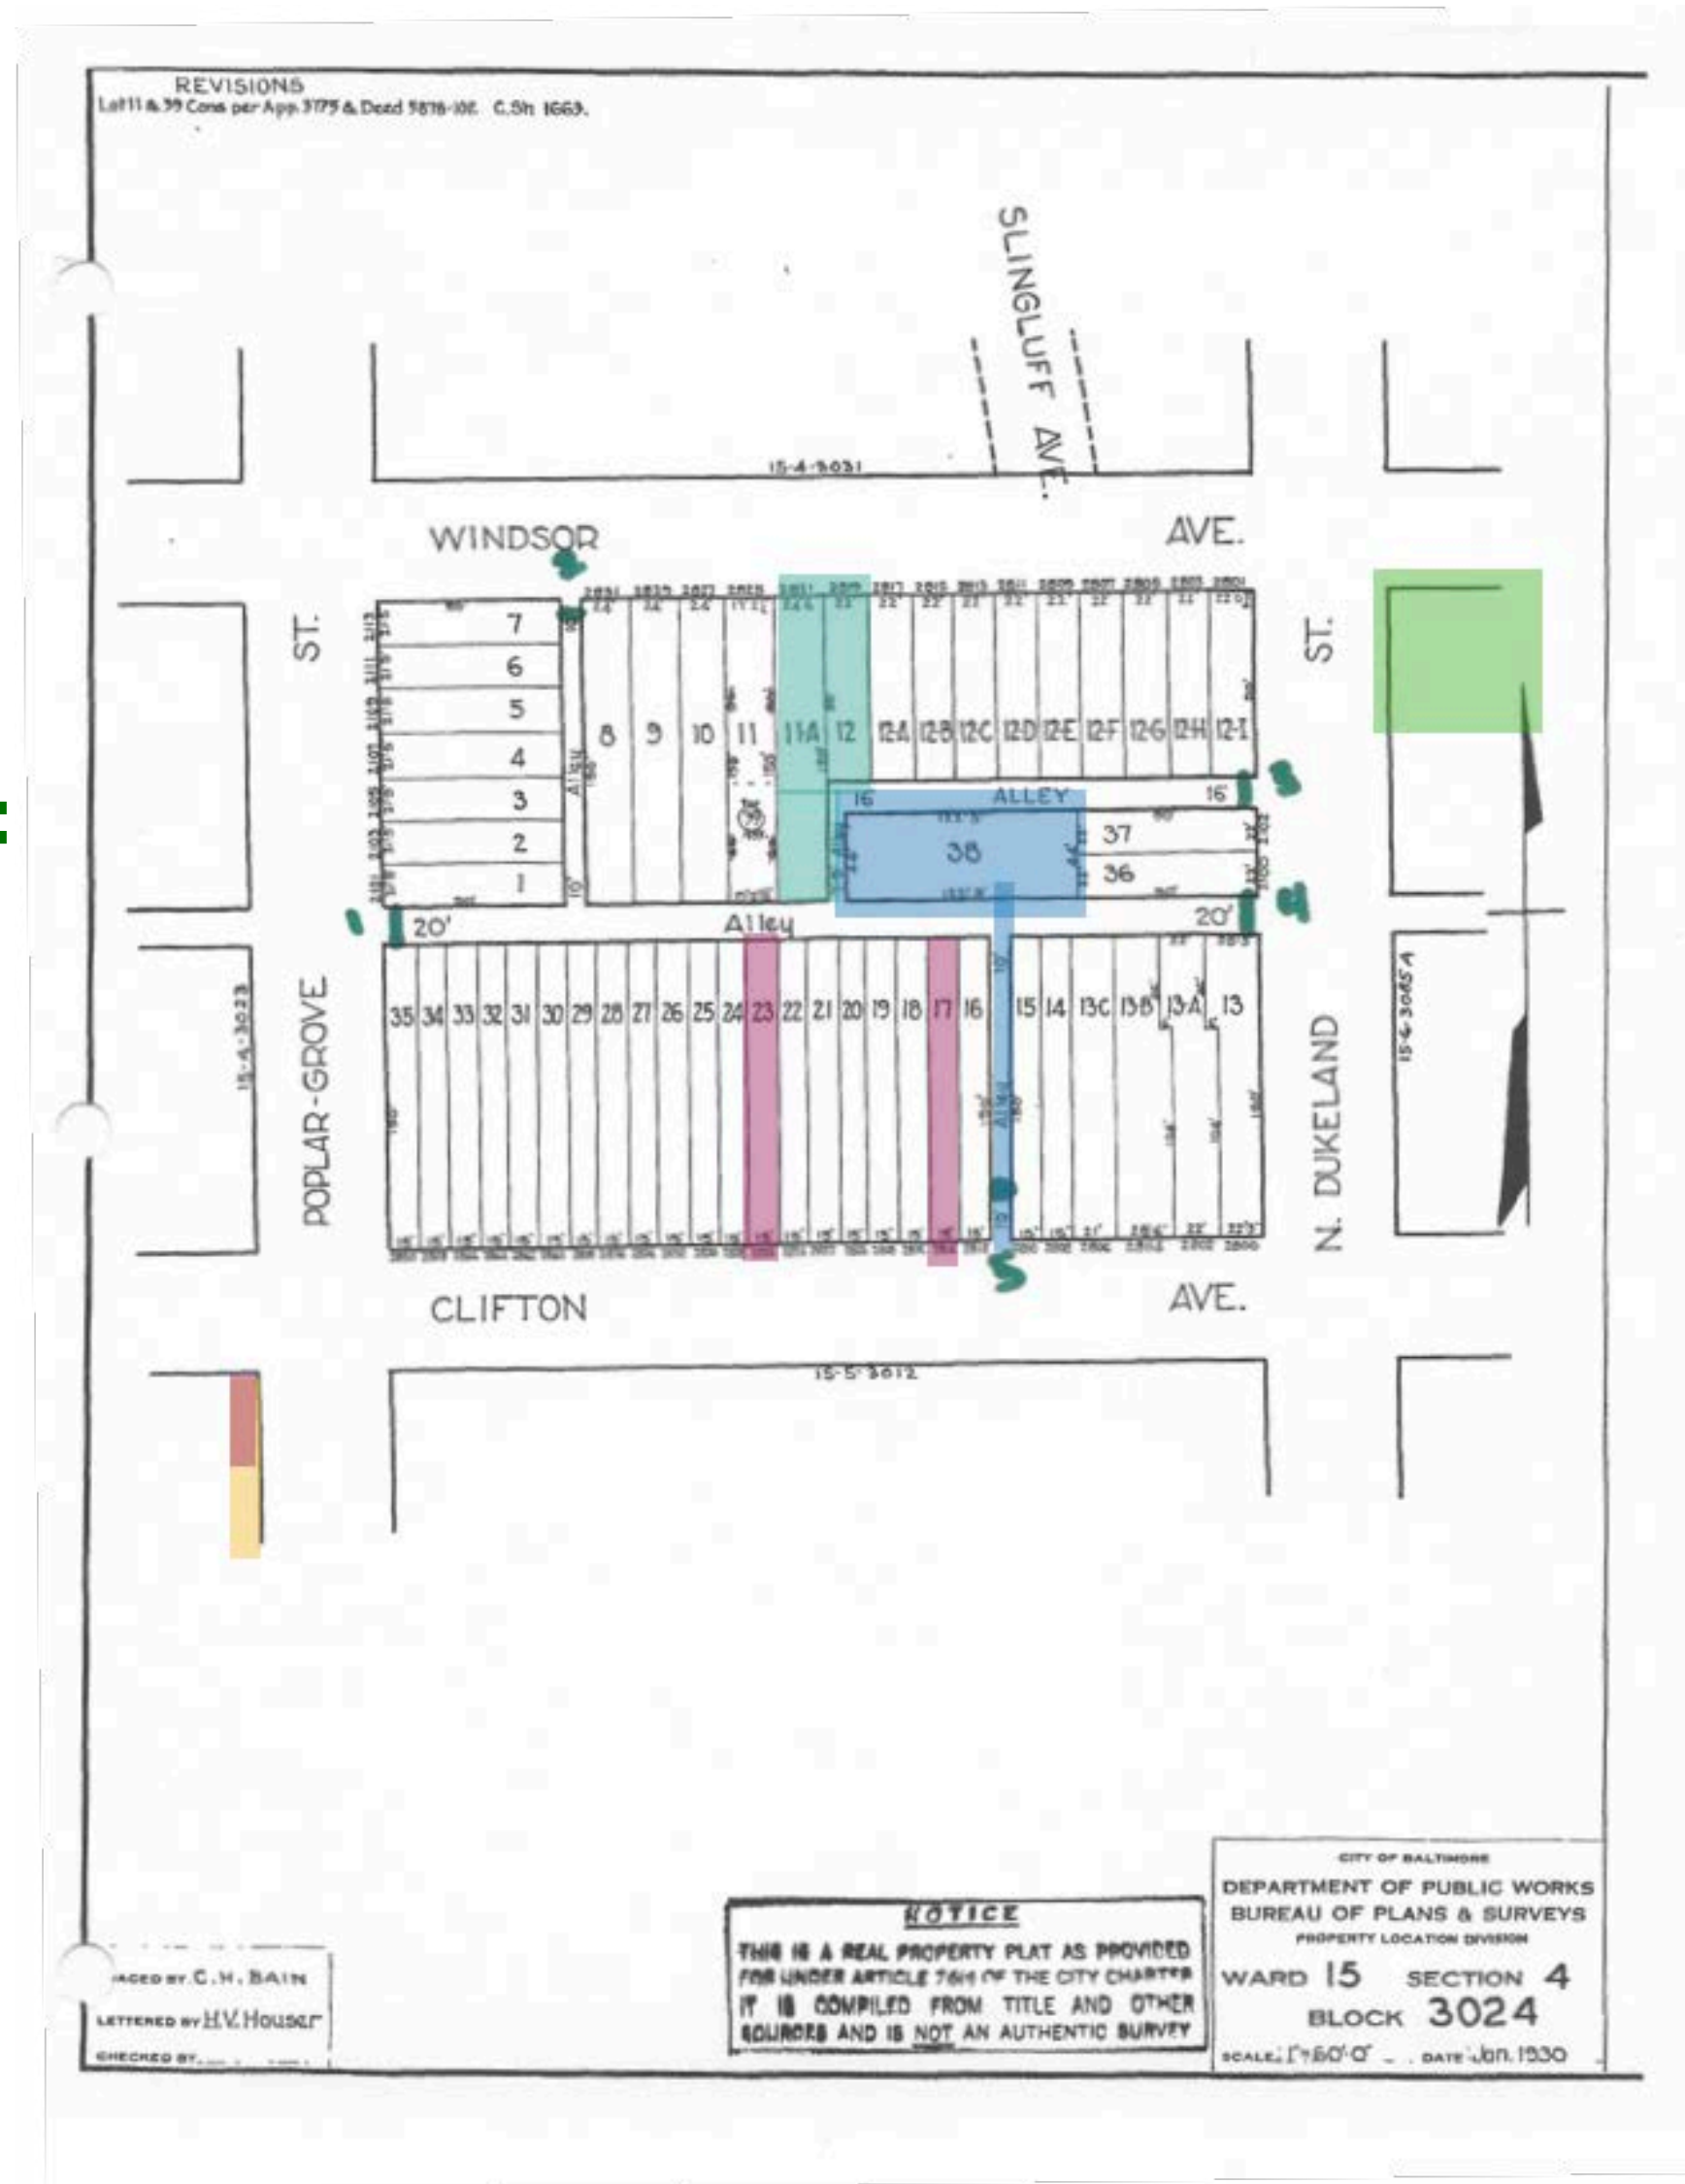

A self-sustained, wealth generating, model community that encourages and fosters entrepreneurship, creativity, and social responsibility.

## The Makeup of The Urban Oasis:

- The Cafe
- The Stay at The Oasis
- The Headquarters

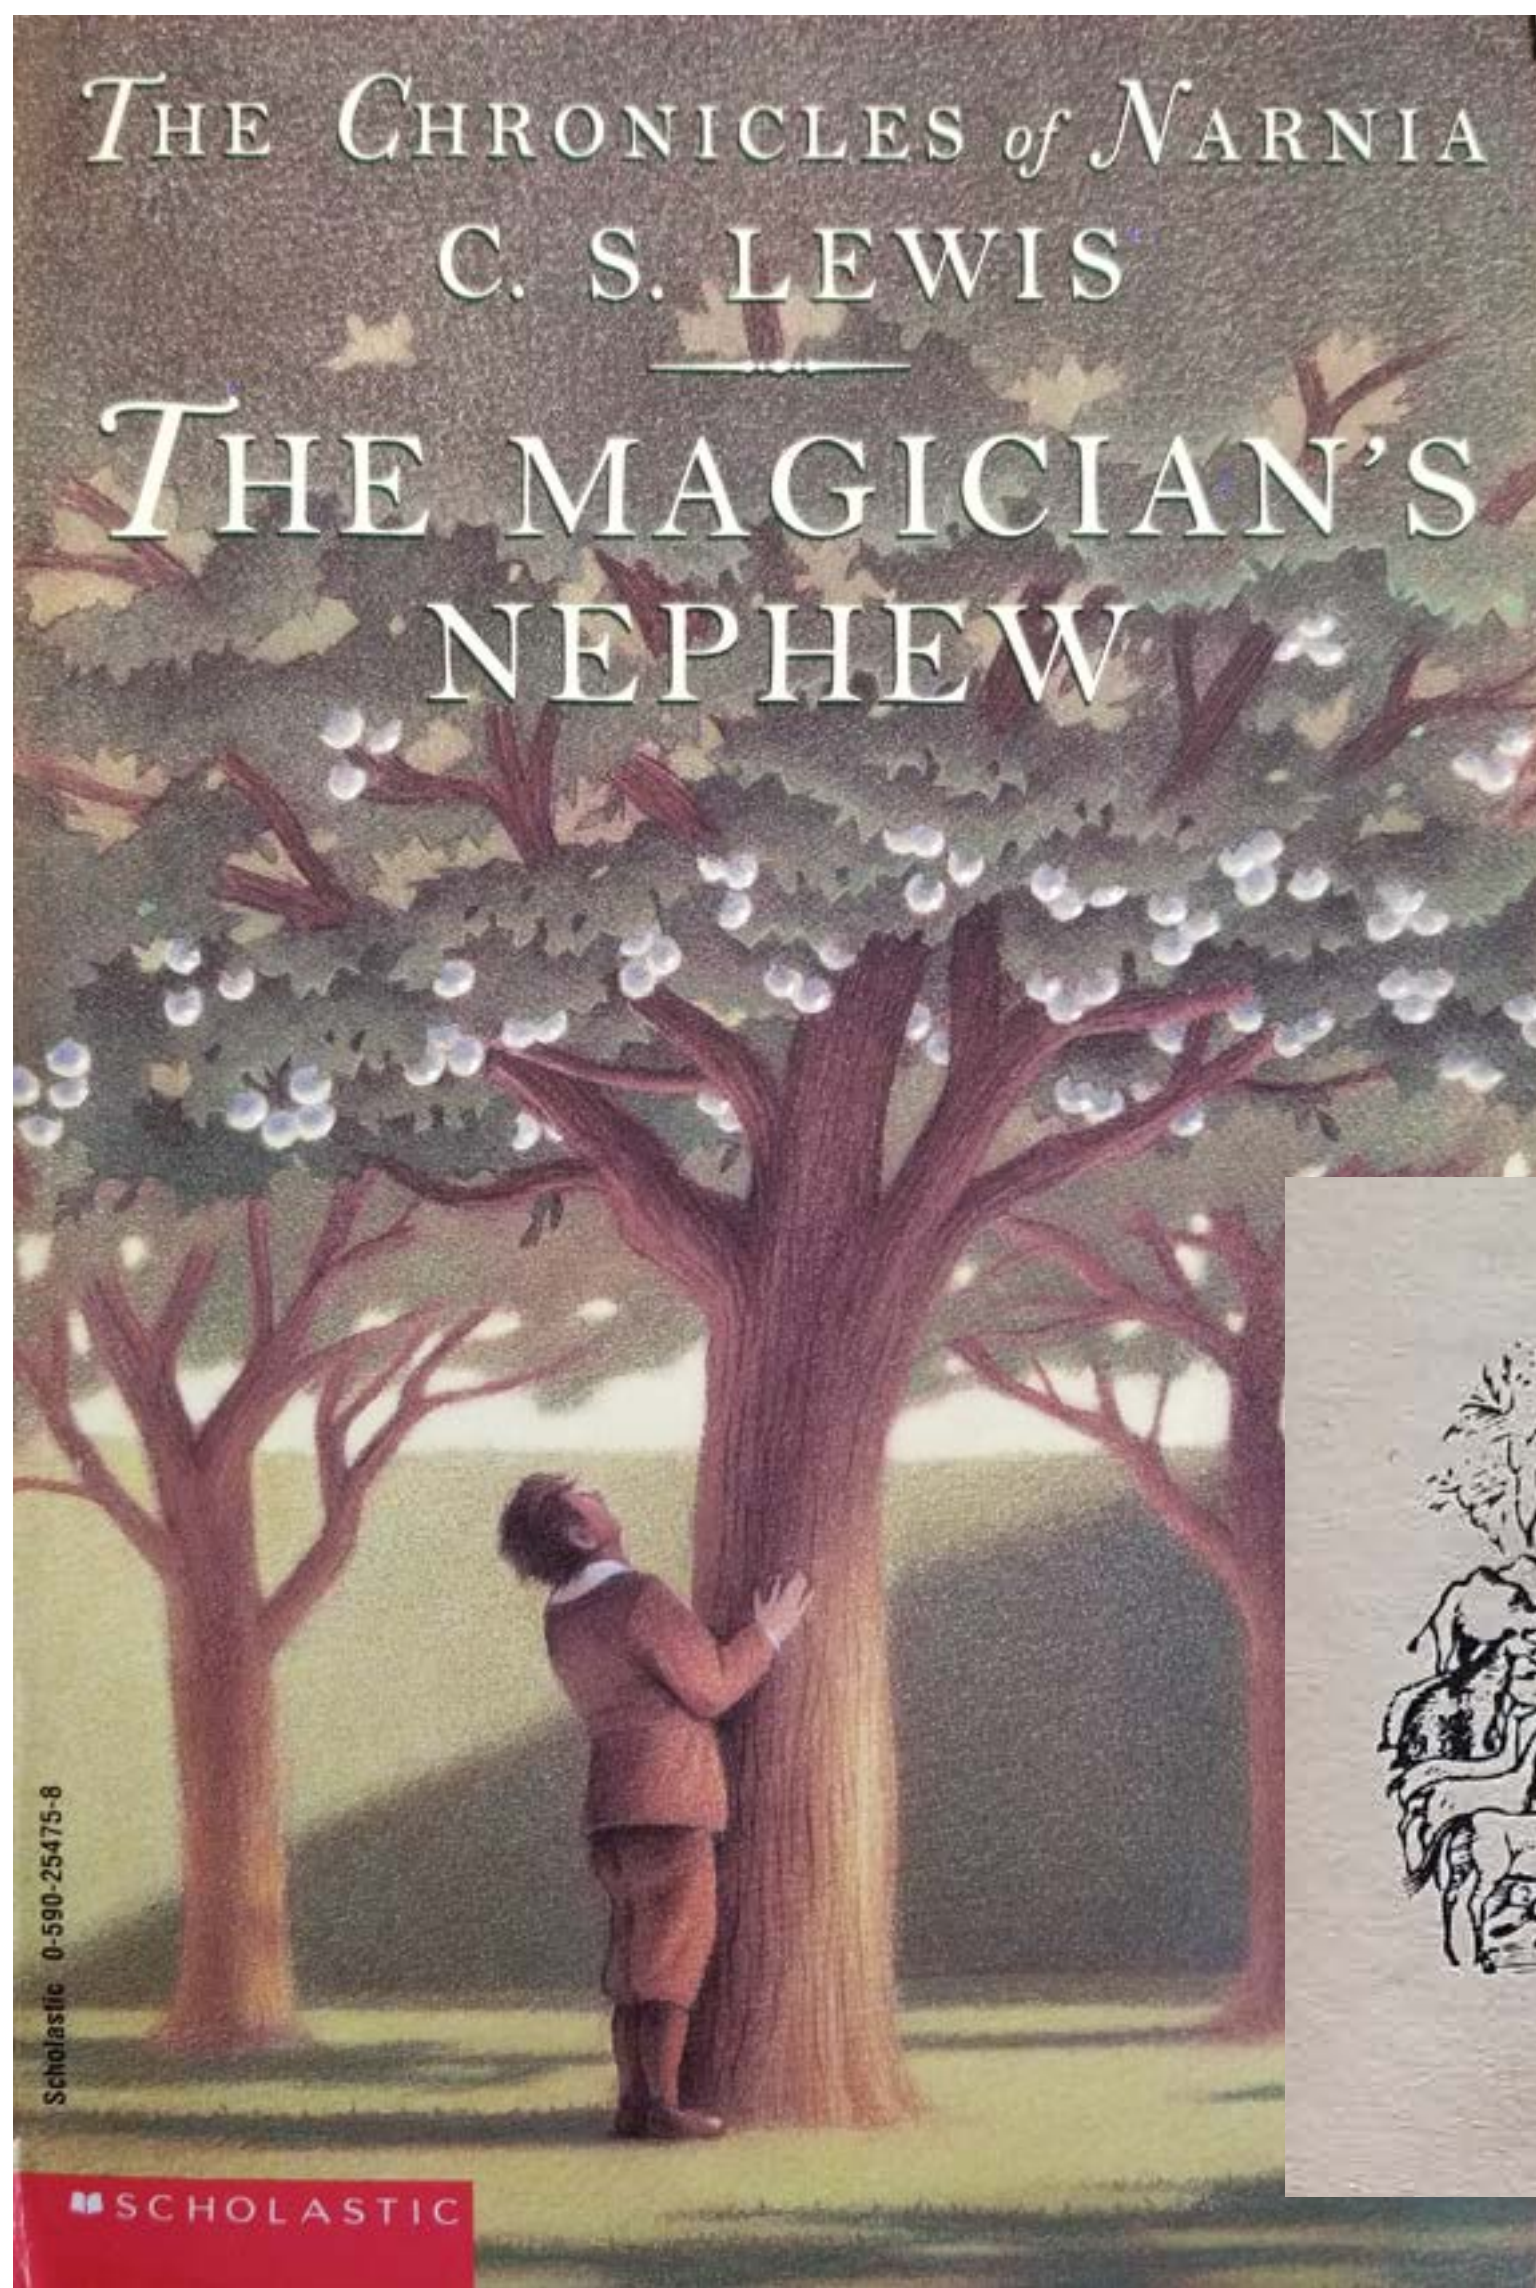

**WHY?**

# How?:

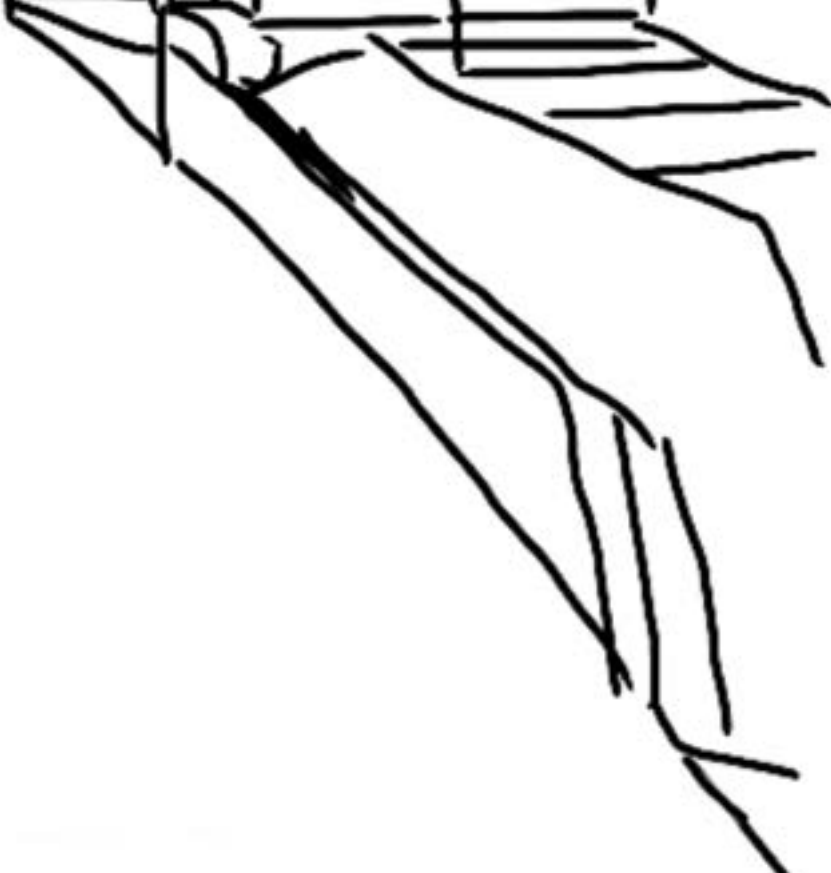

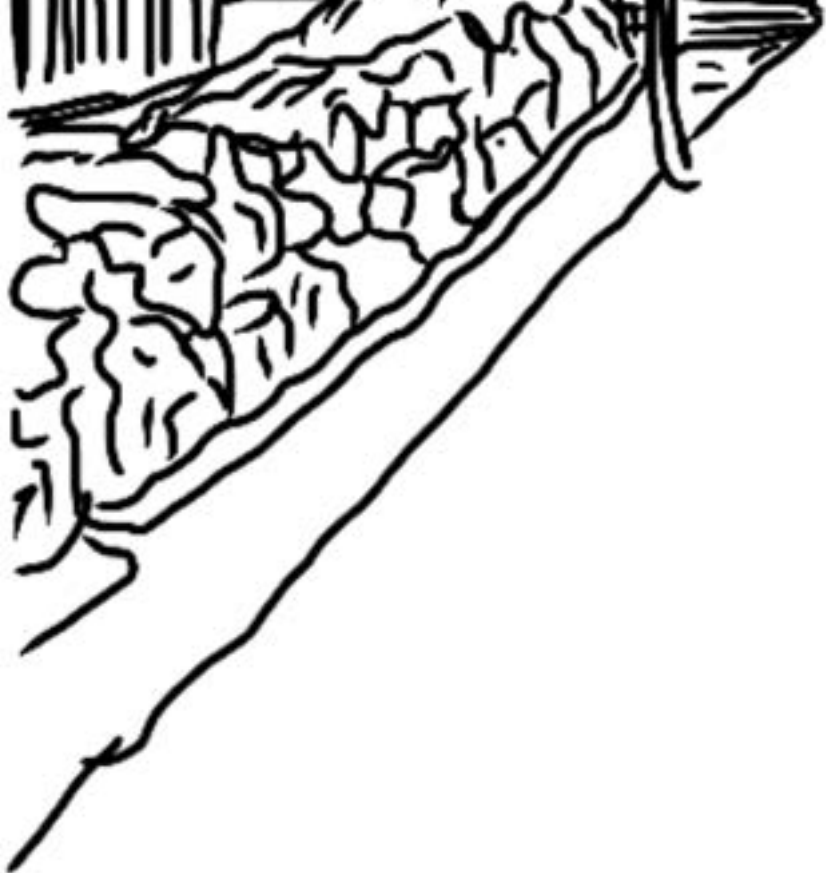

$$\text{Meaningful Change} = \text{Dissatisfaction} \times \text{Vision} \times \text{Plan}$$
$$(\text{MC} = \text{D} \times \text{V} \times \text{P})$$

If any of these equates to 0,  
there will be no meaningful change

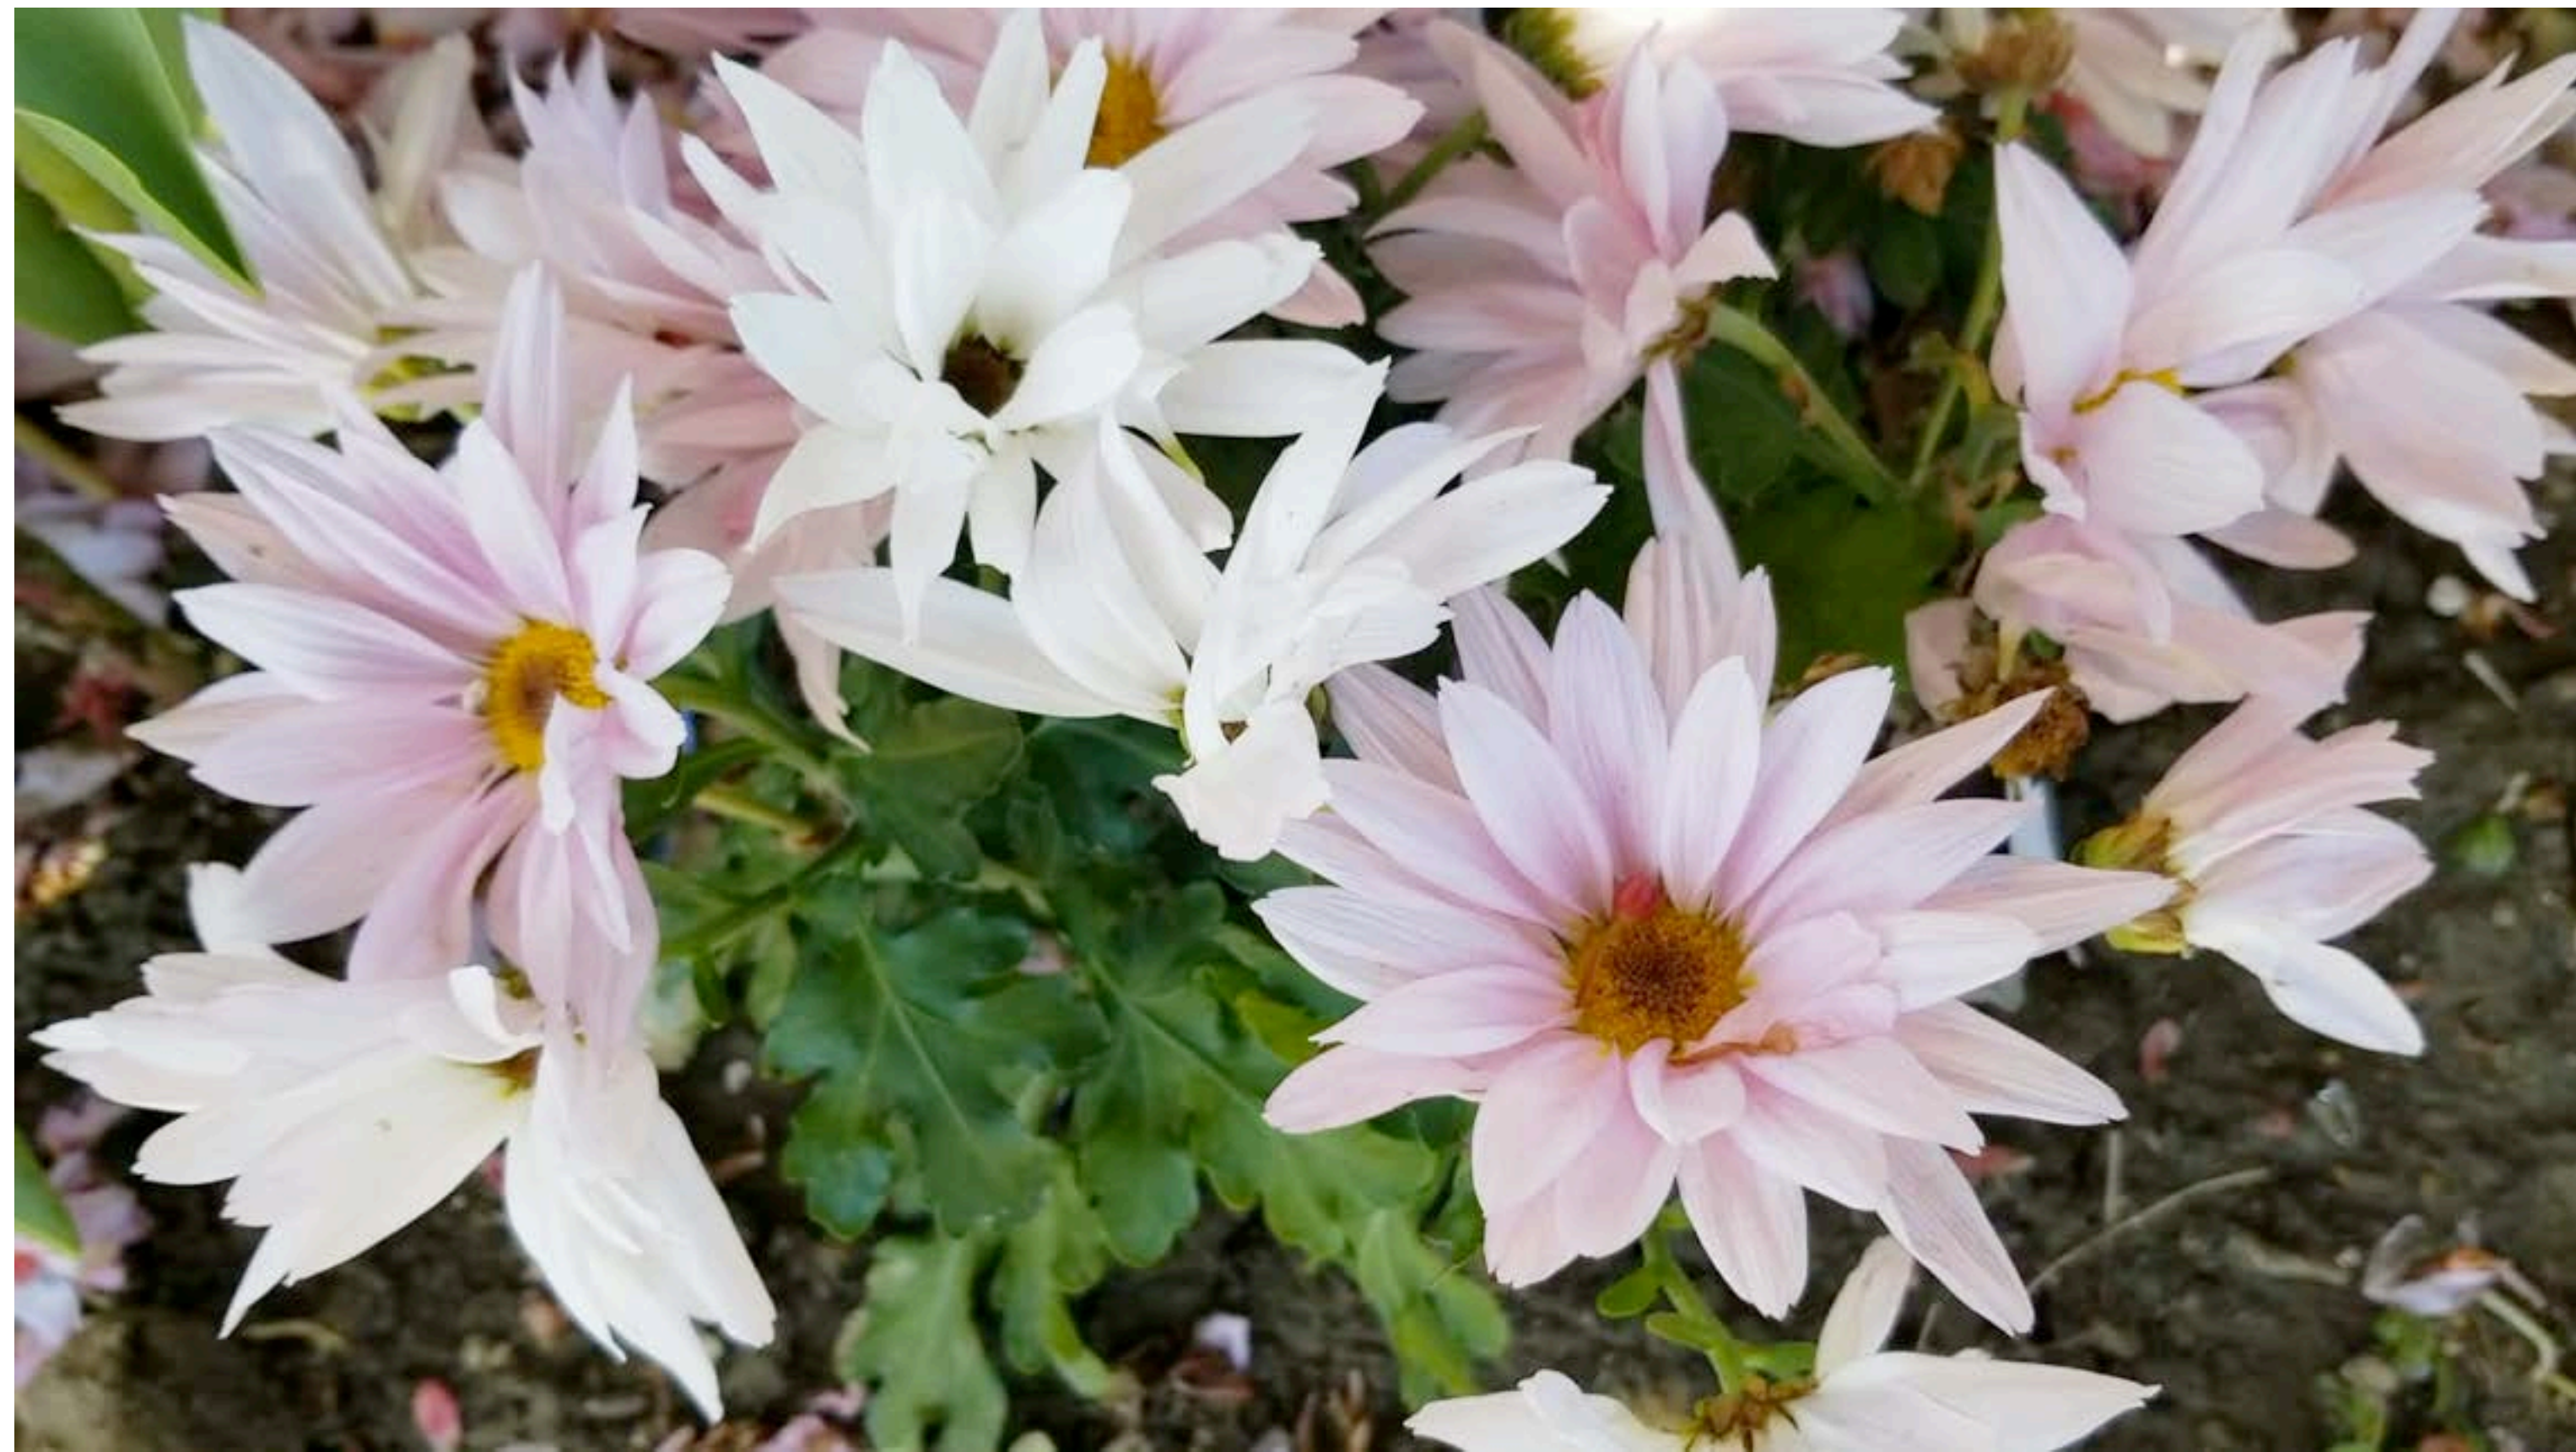

# Our Greatest Resource:

# Ourselves
